

# Invitation to ½ day Workshop

## V6 roadmap and demonstration of CATIA V5 with ENOVIA V6 R2012 iPLM solution

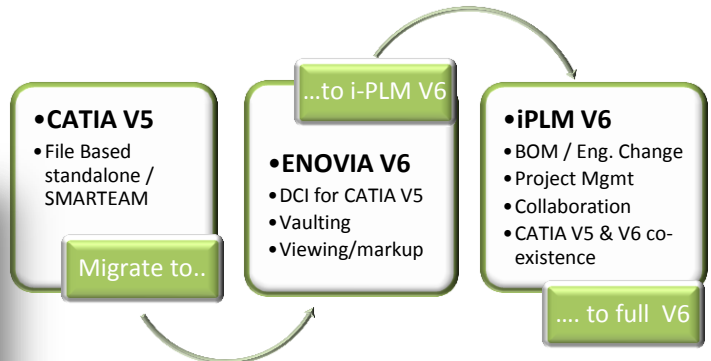

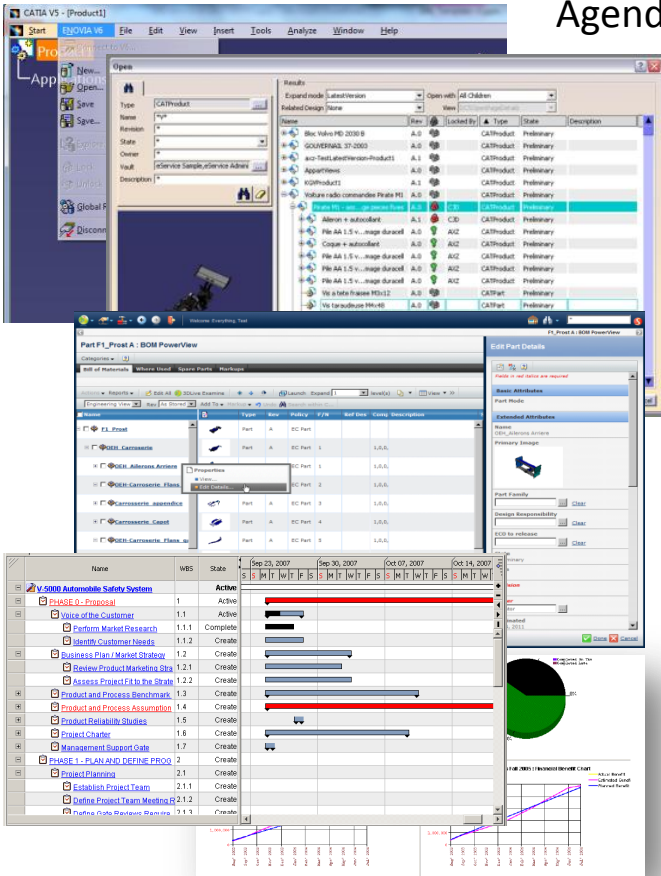

20<sup>th</sup>, 21<sup>th</sup> and 22<sup>th</sup> September

# designrule

ENOVIA CATIA

## Agenda

- 9:00 Arrivals and coffee
- 10:00 Introductions
- 10:15 Overview of DS V6 roadmap for CATIA V5 users
- 10:30 Alternatives strategies for CATIA V5 in a V6 world
- 10:45 Demo of CATIA V5 in ENOVIA V6 (R2012 interface)
- 11:30 Coffee
- 11:45 iPLM for V6 – Management of BOM/EC/Projects
- 13:00 Lunch
- 14:00 V6 Technical breakouts – attendee choice

### This workshop will provide answers to many of the questions raised by the Dassault Systems V6 strategy:

- V6 is too far away to worry about, so why prepare for it ?
- I want to managed my CATIA V5 files, but not with SMARTEAM – what can ENOVIA V6 do for this?
- I am interested in ENOVIA V6 as a platform to build a PLM system for BOM, Engineering Change, Supplier & Project management – how do I start?
- I am just confused about the whole V6 thing. What does it mean to my CATIA V5 data now and in the future?

### We will be discussing

- Alternative approaches for CATIA V5 users for moving to the V6 platform, and ultimately to CATIA V6
- How to take advantage of **low-cost special deals** for ENOVIA V6 which significantly cut the expense of a V6 adoption.

In addition all attendees will be provided with a training token for free attendance to one of a number of follow-on 2-day CATIA V5 to CATIA V6 migration courses.

- I wish to attend - 20<sup>th</sup> Sept(Northampton)
- I wish to attend - 21<sup>st</sup> Sept (Northampton)
- I wish to attend -22<sup>nd</sup> Sept (Bristol)
- I wish to attend another date
- I would like a workshop at my company
